Exhibition space rental prices are listed in Application Form.

ADVERTISING IN THE OFFICIAL CATALOGUE

Advertising is in the Official catalogue of Exhibition on Water / Water Forum (paper format A4). The catalogue is printed along with the magazine Water and Sanitary Technology (issued by the Association for Water Technology and Sanitary Engineering), in Serbian and English language.

Official catalog is distributed to all exhibitors and visitors at the fair for free and is sent to subscribers of the magazine (at about 3000 addresses).

The catalog of Exhibition on Water / Water Forum 2025, can be found <https://www.sajamvoda.rs/Catalogue-Exhibition-on-Water-Water-Forum-2025.pdf>

PRESENTATION AT THE WATER FORUM

The Exhibition on Water is accompanied by Water Forum (International Scientific Conference) organised on the issue of water.

The Water Forum is organized in the conference rooms of the Hall 3

This year's Exhibition on Water/Water Forum bears the name **WATER SECTOR - WASTEWATER MANAGEMENT AND ENVIRONMENTAL SUSTAINABILITY**

The Organisers of the exhibition offer a possibility to each company to be a part of the Water Forum 2026.

In this regard, participants are given the opportunity to present own activities in the conference hall, through commercial presentation.

The lease of conference hall for period of 30 min is 180 euro.

Conference time rental prices are listed in Application Form.

There is a possibility to lease more than 30 minutes, if the company estimates that it needs more time for the presentation.

- conference hall counts 50 seats
- the audio and video equipment is provided by the Organiser
- the Organiser participate in animating the listeners for the intended lectures

For the purpose of gaining a better understanding of the topic of the lecture, (which will be held by the Exhibitor within the Forum), the Exhibitor sending to the Organizers the topic of the lecture, in Serbian and English language, with a lecture abstraction.

The submitted material are published in the Official catalogue (in English and Serbian language) with the aim of informing as many of the listeners about the topic of the lecture.

The program of the Water Forum will be also promoted before the beginning of the Exhibition on Water/Water Forum 2026 in the following ways:

- will be established on the official website of the Serbian Chamber of Commerce (www.pks.rs)
- will be established on the official website of the Exhibition on Water (www.sajamvoda.rs)
- will be sent by email to visitors of the Exhibition on Water/Water Forum along with an Invitation letter
- will be sent to all members of the The Association for Water Technology and Sanitary Engineering
